EXPERIENCE

Tarleton State University - Classroom and Lab Support, Stephenville, TX — *Student Tech*

April 2019 - April 2020

I worked here as a student tech in IT for a short time. I now attend Texas State Technical College online, instead of Tarleton State University, so I was unable to keep this job.

TIAER, Stephenville, TX — *Intern*

August 2018 - August 2020

I worked here as an information technology intern, and a Tarleton State University student worker.

Yesway, Hawley, TX — *Sales Associate*

January 2017 - August 2017

I worked here in between school and sports during high school.

Dollar General, Hawley, TX — *Sales Associate*

January 2016 - August 2016

This was my first job during high school.

EDUCATION

Texas State Technical College, Abilene, TX — *Associate in Computer Programming*

January 2021 - Present

I transferred here from Tarleton State University so that I could complete a computer programming degree instead of a computer science degree.

SKILLS

I am capable of basic/beginner programming in HTML/CSS, C, C#, and Python.

I am able to build and maintain PCs, and maintain some server technology.

I can perform some hardware and software networking/configuration.

I am overall very capable with most computer software and hardware.

AWARDS

I was declared an All State linebacker during my high school football career as a Hawley Bearcat.
